Auditing a Course (Hearer)

Students who wish to obtain knowledge from a course, but do not need or want the credit for graduation, may enroll in the course(s) as auditors/hearers.

- Hearers receive no credit toward a degree and an H grade appears on the transcript. The credit received when auditing a course does not count toward your verification of full, half or less than half time enrollment status. This credit is not reported to the National Student Clearinghouse for enrollment verifications.

- Students pay standard fees [here](http://cashiers.missouri.edu) for the course(s).

- Students may *not* change their registration status (hearer vs. credit) after two weeks following the first day of classes in regular session or the equivalent thereof in a shorter session.

- Check the academic calendar [here](http://registrar.missouri.edu/academic-calendar) for deadlines.

- Students who want to change their grading basis must go to the academic advising office *before* two weeks following the first day of classes in regular session or equivalent thereof in a shorter session.

- Students who fail to meet class requirements may be dropped from the course by their academic advising unit upon request of their instructor and with the dean’s stamp.

- Normally, a hearer will attend the course on a regular basis; either the department or an individual instructor will stipulate the requirements for enrollment in a course as a hearer.
