Deficient Academic Performance (V)

Mid-course/rotation grade warnings must be issued to students if they are not achieving at least a "C" grade average. The notice should be copied to the Associate Dean for Academic Affairs.

A student who receives a grade of “F” in any required or elective course of the professional curriculum will be dismissed.

No more than 9 total semester credit hours of “D” grades may be accumulated prior to graduation. Greater than 9 semester credit hours of “D” grades will result in dismissal from the CVM. If readmitted, any subsequent “D” grades will again result in dismissal from the CVM.

NOTE: These regulations were adopted by faculty action August 4, 1983. They are subject to change by faculty action. Revised in 1988, 2002, 2009, 2011 and 2012.
