
Minor in Animal Sciences

Requirements

To earn a minor in animal sciences, a student must meet the following requirements.

- Minimum of 15 credit hours in Animal Sciences (AN_SCI)
- Minimum of 9 credit hours of course work in Animal Sciences courses numbered 3000 or above.
- Students may select any combination of animal sciences courses excluding problems and internships to meet the requirements; however, all students will be expected to meet prerequisites of animal sciences courses.
- Up to six transfer credits can be applied toward the minor; however, transfer credits can only apply toward the lower level courses. Hence, a student must complete nine credit hours of Animal Science credits at MU that are 3000 level or higher.
