

Graduate Certificate in Jazz Studies

The Graduate Certificate in Jazz Studies is a one-year program that provides opportunities for continued development of skills in jazz-specific areas, such as improvisation, pedagogy, and arranging. The certificate is available to degree-seeking and non-degree seeking students alike, non-music as well as music majors, and is designed as an intensive introduction to jazz performance. The program will deepen the student's preparation for a career in jazz performance or prepare the student for further study in jazz.

Total Credits		13

Admissions Criteria

Entrance into the Graduate Certificate program requires a live audition, although video-recorded auditions will be acceptable in rare cases, by permission of the Director of Jazz Studies. Entrance into the program also requires completion of a Bachelor of Music degree (or demonstrated equivalent), with a GPA of 3.0 in the last 60 credit hours. In the event that a candidate does not meet the required prerequisites for a specific curriculum, appropriate course(s) may be added as additional requirements.
