

BA in International Studies with Emphasis in Environmental Studies

Degree Program Description

The Bachelor of Arts in International Studies is an individually designed major with a strong multicultural and global focus. The Environmental Studies emphasis is for students interested in developing a broad understanding of environmental problems and their underlying causes so they can work effectively in the areas of environmental advocacy, outreach, policy, and regulation. The program prepares students for graduate study and careers in academia, teaching, law, business, public policy, humanitarian aid, non-profit organizations, government, and diplomacy.

Major Program Requirements

Refer to the program requirements for the BA in International Studies (http://catalog.missouri.edu/collegeofartsandscience/internationalstudies/ba-international-studies/). Students pursuing the Environmental Studies emphasis will fulfill the Emphasis Area requirements of the major by completing 9 hours of credit related to Environmental Studies, including a 3-credit capstone.

Students are encouraged to begin study of their second language no later than the sophomore year. Students should consult with the International Center about appropriate locations for their study abroad experience. In addition to University (http://catalog.missouri.edu/academicdegreerequirements/universityrequirements/), general education (http://catalog.missouri.edu/academicdegreerequirements/ generaleducationrequirements/), and College of Arts and Science (http://catalog.missouri.edu/collegeofartsandscience/#undergraduatetext) requirements, students must also meet the following major program requirements. All major requirements in the College of Arts and Science must be completed with grades of C- or higher unless otherwise indicated.
