

## BSBA in Business Administration with Emphasis in Real Estate

## **Degree Program Description**

Students pursuing a degree in Business Administration will gain exposure to multiple areas of business including Accounting, Economics, Finance and Banking, Management, and Marketing. Students who pursue an emphasis in Finance and Banking can add on an emphasis in Real Estate. Real estate is an ideal field for those with an entrepreneurial spirit who seek career options around the globe. The Real Estate emphasis is for students contemplating a career in real estate investment, property management, mortgage banking, or associated field. Related careers include real estate investment analyst, property manager, mortgage banking officer, REIT (real estate investment fund) manager, and real estate valuation specialist.

## **Major Program Requirements**

**General Education Requirements** 

Students must complete all university requirements (http://catalog.missouri.edu/academicdegreerequirements/universityrequirements/), including general education (http://catalog.missouri.edu/academicdegreerequirements/generaleducationrequirements/), and the degree requirements below.
