

MA in Human Development and Family Science with Emphasis in Family and Community Services

gradschool.missouri.edu/degreecategory/human-development-family-science/) and Graduate School (<https://gradschool.missouri.edu/admissions/eligibility-process/>). Because requirements vary, you *must* refer to a degree program's graduate admission page to learn about specific admission criteria, application deadlines, eligibility, and application process. Before official admissions to the University of Missouri, your application materials will be reviewed by both Graduate School and the degree program to which you've applied.

The mission of the Human Development and Family Science Master's degree emphasis in Family and Community Sciences may be summed up in three words – **Understand, Deliver, Manage**. The goal of the Family and Community Services online MA option in Human Development and Family Science is to create alumni capable of **understanding family**, interpersonal, and community dynamics in order to help individuals and their families through education, resource management, and effective service **delivery**. In addition, graduates of this degree option will acquire knowledge and skills in program and agency **management**.

Degree Requirements

The Family and Community Services MA emphasis consists of 36 credit hours, including the 10 core courses shown below. For the remaining 6 credits students may choose from: (a) 6 credits of electives and a capstone examination, (b) 3 credits of electives and a 3 credit internship, or (c) 6 credits of an internship. Elective courses will be offered annually. Exams and internships will include an independently produced paper and an oral examination by the student's MA committee.
