

# MS in Biomedical Sciences with Emphasis in Pathobiology

---

## About the Program

The College of Veterinary Medicine offers a Master of Science degree in biomedical sciences with a specialization in veterinary pathobiology and/or laboratory animal medicine, which is administered through the Department of Veterinary Pathobiology.

## Degree Requirements

The degree requires 30 credit hours of work including courses, seminars, research, and problems courses. The program includes research in a particular field and defense of a thesis which embodies the results of this work. Certain areas of emphasis require submission of a formal master's thesis while others require preparation of a publishable manuscript.

## Admission Criteria

- Fall deadline: no deadline
- Spring deadline: no deadline
- Summer deadline: no deadline
- Undergraduate GPA of last 60 credit hours: 3.0
- Designated faculty mentor

### ***International Applicants:***

Minimum TOEFL score:

Internet-based test (iBT)	Paper-based test (PBT)
80	550

## Required Application Materials

### ***Graduate School***

- All required Graduate Admissions documents <https://gradschool.missouri.edu/admissions/>

### ***Veterinary Pathobiology Program:***

- Official Transcripts
- Letter of support from mentor
- CV
- Statement of Purpose
- 3 letters of recommendation (can be submitted through the Office of Graduate School online application as well)

## PhD in Pathobiology

For admission information about the doctorate of philosophy (PhD) in Pathobiology, refer to **Pathobiology Area Program** in this catalog.
