Topics in Agriculture-General

Credit Hour: 1-99

AFNR 4972: Capstone Project in Agriculture, Food and Natural Resources

A culminating learning experience focused on student's area of concentration that requires the application of knowledge and skills taught in the undergraduate curriculum. The capstone project comprises independent, original work culminating in a scholarly project, written document, and/or presentation. Graded on S/U basis only.

Credit Hour: 1-3

Prerequisites: instructor's consent

Recommended: junior or senior standing

AFNR 4993: Internship in Agriculture, Food and Natural Resources

Field-based learning experience combining the study, observation, and employment with a business, organization, or governmental agency. The internship provides opportunities to apply skills, concepts and theories about agriculture, food and natural resources in a practical context. The student intern, internship supervisor, and university coordinator will develop an individualized internship plan. May be repeated for credit. Some sections may be graded on either an A-F or S/U basis only.

Credit Hour: 1-6

Prerequisites: instructor's consent

Recommended: junior or senior standing
