MRKTNG 4000H: Marketing Management - Honors
Further examination of marketing issues: market analysis, market research, positioning, products, pricing, promotion, distribution, relationship management, other topics.
Credit Hours: 3
Prerequisites: MRKTNG 3000; ACCTCY 2010 or ACCTCY 2026 or ACCTCY 2036 or ACCTCY 2136H; Honors eligibility required

MRKTNG 4050: Marketing Research
Procedures for defining marketing research problems; specifying information requirements; collecting, analyzing, interpreting, and presenting data for use in marketing decision making. Utilizes student projects and research-related computer assignments.
Credit Hours: 3
Prerequisites: MRKTNG 3000, STAT 3500. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with emphasis in Marketing

MRKTNG 4185: Problems in Marketing
In-depth independent study of marketing topic(s). Student must have course plan (assignments, evaluation criteria, etc.) approved by faculty sponsor. Contact Marketing Department office for details and enrollment permission. Selected sections of this course may be graded either on A-F or S/U basis only.
Credit Hour: 1-3
Prerequisites: Departmental consent, MRKTNG 3000

MRKTNG 4201: Topics in Marketing
Selected marketing-related topics. Subjects may vary across semesters. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with emphasis in Marketing.
Credit Hours: 3
Prerequisites: MRKTNG 3000

MRKTNG 4220: Consumer Behavior
Dimensions of the consumer market and decision-making process of consumers; analyzing economic, psychological and socio-psychological influences on consumer market and buying behavior.
Credit Hours: 3
Prerequisites: MRKTNG 3000. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with emphasis in Marketing

MRKTNG 4220H: Consumer Behavior - Honors
Dimensions of the consumer market and decision-making process of consumers; analyzing economic, psychological and socio-psychological influences on consumer market and buying behavior.
Credit Hours: 3
Prerequisites: MRKTNG 3000 and Honors eligibility required
MRKTNG 4250: Retail Marketing
Strategies, policies, tactics, and procedures of marketing in a retailing environment.
Credit Hours: 3
Prerequisites: MRKTNG 3000. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with emphasis in Marketing

MRKTNG 4250H: Retail Marketing - Honors
Strategies, policies, tactics, and procedures of marketing in a retailing environment.
Credit Hours: 3
Prerequisites: MRKTNG 3000 and Honors eligibility required

MRKTNG 4350: Business-to-Business Relationships
Strategies, tactics, and challenges involved in developing, organizing, and managing interfirm relationships in business/industrial markets. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with emphasis in Marketing.
Credit Hours: 3
Prerequisites: MRKTNG 3000 and junior standing

MRKTNG 4380: Buying and Supply Chain Management
Strategies, tactics, challenges, and issues involved in buying, industrial purchasing, and supply chain management. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with emphasis in Marketing.
Credit Hours: 3
Prerequisites: MRKTNG 3000 and junior standing

MRKTNG 4410: Personal Selling
Modern selling methods that focus on solving customer problems rather than using manipulative techniques. Principles underlying the sale process. Practical methods for building long-term customer relationships in business-to-business contexts are emphasized. Graded on A-F basis only.
Credit Hours: 3
Prerequisites: MRKTNG 3000. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with an emphasis in Marketing.

MRKTNG 4420: Sales Management
Methods and tools employed by salespeople and field sales managers; emphasis on underlying behavioral and quantitative theory.
Credit Hours: 3
Prerequisites: MRKTNG 3000. During early registration, some sections may be restricted to College of Business students with emphasis in Marketing, or International Business with an emphasis in Marketing.

MRKTNG 4440: Services Marketing
Challenges, problems, and strategies specific to marketing in service industries. Topics include the unique characteristics of services and managing service-oriented businesses; service design and service recovery; service quality and customer satisfaction; service pricing issues and demand management; and management of service customers and employees. interpret the results of statistical analysis, and how to present results in a managerially useful manner. Graded on A-F basis only.

**Credit Hour:** 1.5  
**Prerequisites:** Consent of Instructor Required

**MRKTNG 8220: Customer Analysis**
Concepts and approaches for understanding customer needs and wants. Emphasis is on analyzing and predicting customer responses to marketing actions.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8280: Research for Marketing Decisions**
Methods for generating and using information related to marketing decisions. The course is aimed at the manager who designs, conducts, and/or uses the research. Emphasizes the design of research studies to inform managers' decisions and techniques for gathering and analyzing primary and secondary data.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8350: Business-to-Business Marketing**
Advanced study of the marketing of goods and services to business customers; customer relationship management, and functionally integrated approaches to solving business problems.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8420: Sales Force Management**
Basic tasks of sales management as well as the application of theories and concepts to effectively manage that function. Topics covered include salesperson effectiveness, deployment, motivation, organizational design, compensation, and evaluation.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8480: Relationship Marketing**
Focuses on the development of relationship marketing strategies and programs. The course examines relevant business models, the concept of customer lifetime value and financial as well as behavioral aspects of managing customer relationships. Database marketing methods and interactive tools for profitably managing customer relationships are also discussed.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8520: Services Marketing**
Focuses on service marketing problems and strategies of goods and service organizations. Subjects covered include the nature of services, organizing for service delivery, managing demand, tailoring the customer mix and managing supply.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8580: Product Management**
Focus is on new product/service decisions and development processes. Discussion emphasized analytical approaches to new product portfolio decisions and the research needed as input to such decisions. Program strategy, opportunity creation, concept development, product testing, demand estimation, and results evaluation are stressed.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8620: Marketing Decision Models**
Quantitative tools and models used to analyze and solve marketing problems.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8650: Digital Marketing**
The use of the Internet and other electronic channels as marketing tools. Emphasis on integration of digital interactions and communication into the overall marketing strategy.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

**MRKTNG 8680: Database Marketing**
A quantitatively-oriented, hands-on course regarding the use of customer data for making decisions about marketing campaigns and targeting of individual customers. Concepts and applications in this course emphasize statistical analysis of large datasets involving customer records. The analytical and statistical programming skills learned in the course should be useful in any data-oriented business environment. Graded on A-F basis only.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required, MRKTNG 7460, MRKTNG 7470, MANGMT 7400, MANGMT 7420, and MANGMT 7470

**MRKTNG 8720: International Marketing**
Strategic and managerial issues associated with international trade and international marketing. The course focuses on managerial decision making in the differing and complex environments across foreign markets, alternative methods by which firms enter foreign markets and the development and implementation of international marketing strategies.

**Credit Hour:** 1-3  
**Prerequisites:** MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470
MRKTNG 8750: Brand Management
Focuses on the creation and execution of profitable brand strategies. Examines the practice of branding, the key components of brand equity, and how firms can build and sustain successful brands in competitive markets.
Credit Hour: 1-3
Prerequisites: MBA Program consent required, MRKTNG 7460 and MRKTNG 7470

MRKTNG 8760: Marketing Engineering
A systematic, analytical approach to marketing decision-making. Students will be able to build their analytical skills through a combination of lectures, Excel-based software tools, and business case studies. Emphasis is on hands-on approaches for solving real-world marketing problems in domains such as segmentation, targeting, positioning, and resource allocation. The course will help students understand the financial impact of marketing expenditures including ROI assessment. Graded on A-F basis only.
Credit Hour: 1-3
Prerequisites: MBA Program consent required, MRKTNG 8680

MRKTNG 8770: Marketing Databases and SQL
A user/analyst perspective to relational databases used in marketing applications. Fundamentals of relational databases, including database concepts, table design, views, normalization, and security. Hands-on training in SQL (Structured Query Language) on database tables and views to retrieve, change, join, filter, sort, group, and summarize data. Data analysis with SQL and Excel combined. Presentation of SQL results sets. Course graded on A-F basis only.
Credit Hour: 1-3
Prerequisites: MBA program consent required, MANGMT 7410

MRKTNG 8780: Advanced Marketing Analytics
Analytical methods for solving marketing problems. Emphasis on use of multivariate statistical techniques (e.g. regression models, time series models, principal components analysis, cluster analysis, discriminant analysis, ANOVA, survival/duration models, etc.) to aid marketing tasks and decisions in areas such as customer classification, segmentation, profiling, and targeting; prospecting with archival data; customer response to marketing interventions; customer acquisition/retention tactics; customer relationship management (CRM); sales forecasting; media allocation decisions; market basket analysis; etc. Graded on an A-F basis only.
Credit Hour: 1-3
Prerequisites: MBA program consent required, MRKTNG 8680

MRKTNG 8880: Markets in Transition
Analysis of selected industries with emphasis on marketing activities and environments. Particular emphasis given to forecasting major trends or changes anticipated in markets over the next decade.
Credit Hour: 1-3
Prerequisites: MBA Program consent required and completion of MRKTNG 7460 and MRKTNG 7470

MRKTNG 9010: Introduction to Research Methods in Marketing
Introduces students to the research process. Examines philosophy of science, constructs and measurement issues regarding validity, and hypothesis-testing. Provides an overview of experimental and survey research methods, with introduction to qualitative research, model-building, and research using secondary data.
Credit Hour: 1-3
Prerequisites: Ph.D. students only; instructor's consent

MRKTNG 9020: Seminar in Advanced Research Methods in Marketing
Familiarizes students with advanced research methods in marketing, emphasizing problem developmental and conceptualization, operationalization of research questions, measurement, and survey research.
Credit Hour: 1-3
Prerequisites: MRKTNG 9010 or equivalent; Ph.D. students only; instructor's consent

MRKTNG 9030: Seminar in Applied Multivariate Analysis in Marketing
Familiarizes students with multivariate analysis of data used for research in marketing. Emphasizes application of multivariate methods, presentation of set, performing preliminary assessment of data quality and distribution, assessing measurement quality, and conducting a variety of multivariate and structural equation models, regression, logistic regression, discriminate analysis, cluster analysis, multi-way frequency analysis, and ANOVA.
Credit Hour: 1-3
Prerequisites: basic course in multivariate statistical methods; Ph.D. students only; instructor's consent

MRKTNG 9090: Research in Marketing
Thesis research for Ph.D. degree. Graded on a S/U basis only.
Credit Hour: 1-99
Prerequisites: Ph.D. students only

MRKTNG 9101: Current Topics Seminar in Marketing
Reading and critical evaluation of selected current marketing literature and research. Graded on S/U basis only. May be repeated.
Credit Hour: 1-3
Prerequisites: Ph.D. students only

MRKTNG 9105: Doctoral Independent Study in Marketing
Independent study of a marketing topic or research project. Arranged in consultation with a graduate faculty member. Graded on S/U basis only.
Credit Hour: 1-3
Prerequisites: Ph.D. students only; instructor's consent

MRKTNG 9185: Doctoral Independent Study in Marketing
Independent study of a marketing topic or research project. Arranged in consultation with a graduate faculty member. Graded on S/U basis only.
Credit Hour: 1-3
Prerequisites: Ph.D. students only; instructor's consent

MRKTNG 9210: Seminar in Marketing Strategy
Focuses on research topics that pertain to strategic marketing programs and decisions, such as marketing productivity, services marketing, product innovation management, and pricing, among others. Coverage is also given to defining the domain of research in marketing and to the development and use of related theories.
Credit Hour: 1-3
Prerequisites: Ph.D. students only; instructor's consent

MRKTNG 9220: Seminar Marketing Models
Familiarizes students with quantitative modeling approaches to address a variety of marketing problems. The focus is on the nature, relevance, and properties of mathematical models and analytical methods that are employed to address various types of marketing decisions. Students will gain an understanding of the process of model-building, testing and implementation.

Credit Hour: 1-3
Prerequisites: Ph.D students only; instructor's consent

MRKTNG 9230: Seminar in Consumer Behavior
Exposes doctoral students to perspectives on consumer behavior that draw from a variety of disciplines, including marketing, psychology, decision theory, sociology, and cultural anthropology. Students also learn about the different methods researchers employ to study consumers. Covers both classic and contemporary literature. Students are encouraged to evaluate and synthesize existing literature in the pursuit of new research ideas.

Credit Hour: 1-3
Prerequisites: Ph.D. students only; instructor's consent

MRKTNG 9600: Seminar in Marketing
Readings, independent investigations and reports. May be repeated.

Credit Hour: 1-3
Prerequisites: Ph.D. students only
