Obstetrics And Gynecology (OB_GYN)

OB_GYN 6004: Obstetrics/Gynecology Clerkship
Students rotate on the obstetric service, the gynecology service and the gynecologic oncology service, seeing a broad range of patients in both inpatient and outpatient settings. In addition, they attend lectures and interactive case presentations.
Credit Hours: 8

OB_GYN 6014: Rural Obstetrics/Gynecology Clerkship
Credit Hours: 8
Prerequisites: successful completion of the first two years of medical school

OB_GYN 6024: Springfield Obstetrics and Gynecology Clerkship
Students rotate on the obstetric service, the gynecology service and the gynecologic oncology service, seeing a broad range of patients in both inpatient and outpatient settings. In addition, they attend lectures and interactive case presentations.
Credit Hours: 8
Prerequisites: successful completion of the first two years of medical school

OB_GYN 6041: SCC Gynecologic Surgical Oncology Selective
The medical student will work as a member of the Gynecologic Oncology team providing hands-on clinical and surgical services in the inpatient, outpatient, and consultative settings. Students will learn using a variety of evidence-based resources, on-line resources, and from clinical dialogue with the members of the health care team.
Credit Hours: 5
Prerequisites: Successful completion of 5 of the 7 core clerkships. One of the 5 must be the Obstetrics and Gynecology Clerkship

OB_GYN 6053: SCC Obstetrics/Gynecology Selective
The fourth-year student will work as a member of the health-care team, providing hands-on clinical and surgical services in the inpatient, outpatient, and consultative settings. The medical student will participate in daily rounds under the direction of the attending physician. Students will learn using a variety of evidence-based resources, on-line resources, and dialogue with other team members in the clinical setting. The student will be expected to perform at a sub-intern level. To provide the student with additional clinical and surgical experience in obstetrics and gynecology. The student will learn how to integrate previously acquired knowledge and concepts, then apply them in the management of patients.
Credit Hours: 5
Prerequisites: Successful completion of 5 of the 7 core clerkships. One of the 5 must be the Obstetrics and Gynecology Clerkship. Springfield faculty approval is required prior to registration

OB_GYN 6064: LINC Obstetrics and Gynecology Clerkship
A Longitudinal Integrated Clerkship (LINC) includes medical students in patient care over time, allowing enduring learning relationships to develop with patients and physician-teachers. Students will meet required core clinical competencies in multiple disciplines through interleaved, longitudinal experiences over the course of the clinical training year. In contrast to a block curriculum, students meet and follow their patients across multiple settings of care and different disciplines.
Credit Hours: 8

OB_GYN 6104: Remediation OB/GYN Clerkship
Enrolled students are those who received an unsatisfactory grade in a OB/GYN Clerkship at any Mizzou Med location or site. This course gives the student an opportunity to rectify their deficiency.
Credit Hours: 8
Prerequisites: OB_GYN 6004 Clerkship, received unsatisfactory grade

OB_GYN 6124: Remediation of Springfield Obstetrics and Gynecology Clerkship
Credit Hours: 8
Prerequisites: successful completion of the first two years of medical school

OB_GYN 6313: ABS OB/Gynecology Research
Credit Hours: 5

OB_GYN 6315: ABS OB/Gynecology Research and Review
Credit Hours: 5-10

OB_GYN 6563: OB/GYN Clinical Reproductive Endocrinology
Credit Hours: 5

OB_GYN 6565: Reproductive Medicine and Infertility Offsite
The 4th year student will work as a member of the Reproductive Endocrinology and Infertility team, providing hands-on clinical and surgical services in the inpatient, outpatient and consultative settings. The medical student will participate in daily outpatient clinic and any observe surgical services related to care of those patients. Students will learn using a variety of evidence-based resources, on-line resources and from clinical dialogue with the members of the care team.
Credit Hours: 5
Prerequisites: Successful completion of the first two years of medical school and the OB/GYN Clerkship

OB_GYN 6583: Obstetrics/Gynecology Offsite Advanced Elective
Credit Hours: 5

OB_GYN 6765: OB/GYN - Rural
Credit Hours: 5
Students will also participate in weekly teaching didactics within the OB/GYN department such as Grand Rounds.

Credit Hours: 2
Prerequisites: Successful completion of the first two years of medical school

OB_GYN 6937: Ultrasound Two Week Elective
To provide additional clinical ultrasound experience in the outpatient setting. Students will learn how to integrate acquired knowledge and concepts; then apply them in the management of patients in an outpatient OB/GYN setting.

Credit Hours: 2
Prerequisites: Successful completion of the first two year of medical school

OB_GYN 6960: Gynecologic/Oncology Surgery
Goals/Objectives: To provide the student with additional surgical and gynecological clinical experience. All gynecologic surgical electives are performed at Ellis Fischel Cancer Center and the University Hospital. Evaluations: An evaluation for this rotation will be completed by the elective chairmen and appropriate resident physicians. The students will be graded on their clinical, ward, and operating room performance. Notes: While on this rotation, students will have exposure to faculty members, three residents, and other fellow medical students. They will have the opportunity to assist in gynecologic oncology surgical cases, attend tumor clinics where they will encounter various procedures such as colposcopies, cryotherapy, and cervical and endometrial biopsies. A copy of a representative weekly schedule is available from the department student coordinator. In addition, students will be required to make two ten minute presentations with audio-visual aids on assigned topics. The students will not take night call, but are expected to attend patient rounds on weekdays and weekends with the residents. The department also holds conferences on Tuesdays and Thursdays which are to be attended. Core reading for this rotation will include Clinical Gynecologic Oncology by DiSaia and Creasman.

Credit Hours: 5
Prerequisites: Ob-Gyn Clerkship
