

# Graduate Certificate in Public Engagement

---

The Graduate Certificate in Public Engagement is a stand-alone certificate program within the Graduate School. The certificate can be complete in person or online, and will allow students to tailor the curriculum to meet their needs.

## Requirements

This is a 12-credit graduate certificate program.

### Required Courses

GRAD 9070	Essentials For Public Engagement	3
LTC 8726	Integrating Science with Outreach	6

### Optional Courses

GRAD 9072	Science Policy and Public Engagement	3
LTC 8724	College Science Teaching	3

**\*NOTE: Three hours of certificate can be in a discipline-related pedagogical course with prior permission.**
