

# MS in Academic Medicine

## Degree Requirements

The program has two options for study: Teaching/Administration and Research. The program requires completion of a minimum of 30 course hours with a grade of 3.0 (B) or better. Courses in the Master's degree are:

F_C_MD 8422	Clinical Research Methods I	3
STAT 7020	Statistical Methods in the Health Sciences	3
F_C_MD 8423	Clinical Research Methods II	3
F_C_MD 8420	Principles of Epidemiology	3
F_C_MD 8410	Principles and Practices in Medical Education	3
F_C_MD 8430	Applications of Evidence-Based Medicine I	3
F_C_MD 7310	The Health Care System	3
F_C_MD 8491	Field Experience in Family and Community Medicine	1-6
F_C_MD 8450	Research in Community Health	1-99

In addition there are a number of online elective courses that may be substituted upon approval of the faculty advisor.

## Admissions

Applicants must be graduates of an accredited medical school, U.S. citizens or permanent residents and licensed to practice in a primary care specialty.

## Application Deadline

This program accepts rolling admissions, so you can apply at any time. We recommend you submit your application at least six weeks before the beginning of the term in which you wish to start your course work.

## Admission Criteria

- Board-certified or board-eligible physicians who have already received MD, DO, MBBS or equivalent degrees may apply. Typically, physicians have completed residency training in their primary specialty prior to enrollment, but current residents may apply with the permission of their program director.
- Physicians in clinical or academic fellowship programs (or both) are also welcome to apply. Prospective students with other doctoral and graduate degrees will also be considered.
- If English is not your native language, please submit a TOEFL (<https://www.ets.org/toefl/>) score of at least 80 (internet-based test) or an IELTS (<https://www.ielts.org/>) score of at least 6.5
- This program accepts rolling admissions, so you can apply at any time. We recommend you submit your application at least six weeks before the beginning of the term in which you wish to start your course work.

## Required Application Materials

Submit the following via the online application (<https://applygrad.missouri.edu/apply/>):

- **Transcripts** of all previous college or university education. Upload unofficial transcripts in your online application. If you are accepted, you will be asked to provide official transcripts
- **Two letters of recommendation.** In the online application, you will need to supply names and contact details of two professionals who can attest to your critical thinking, analytical and writing skills, demonstrating your potential as a graduate student and professional
- **Personal statement** of research goals and interests
- **Curriculum vitae or résumé**
- **Verification from residency program** or other relevant post-graduate training
- **TOEFL or IELTS** score reports for applicants whose native language is not English
- A personal phone interview

Carefully follow the instructions on the Graduate School's (<https://applygrad.missouri.edu/apply/>) application site.

- **Upload the above documents** in the online application site. Use the following information to complete your application:
  - a. **Application type:** Master's Program
  - b. **Degree/Delivery:** Masters- Distance (Online/Remote Site/etc.)
  - c. **Academic Program:** Academic Medicine-Distance (MS)
  - d. **TOEFL or IELTS** scores: Institution Code 6875 (if applicable)

## Financial Aid from the Program

Some programs require an extra form or statement from those who wish to be considered for internal assistantships, fellowships or other funding packages. Check the program Web site or ask the program contact for details.
