BA in International Studies with Emphasis in Environmental Studies

Degree Program Description
The Bachelor of Arts in International Studies is an individually designed major with a strong multicultural and global focus. The Environmental Studies emphasis is for students interested in developing a broad understanding of environmental problems and their underlying causes so they can work effectively in the areas of environmental advocacy, outreach, policy, and regulation. The program prepares students for graduate study and careers in academia, teaching, law, business, public policy, humanitarian aid, non-profit organizations, government, and diplomacy.

Major Program Requirements
Refer to the program requirements for the BA in International Studies (http://catalog.missouri.edu/undergraduatetgraduate/collegeofartsandscience/internationalstudies/ba-international-studies). The Environmental Studies emphasis is for students interested in developing a broad understanding of environmental problems and their underlying causes so they can work effectively in the areas of environmental advocacy, outreach, policy, and regulation.

In addition, students must complete all College of Arts and Science and University graduation requirements (http://catalog.missouri.edu/academicdegreerequirements/universityrequirements), including University general education (http://catalog.missouri.edu/academicdegreerequirements/generaleducationrequirements).
