BA in International Studies with Emphasis in International Business

Degree Program Description
The dual degree program leads to the BS in Business Administration with emphasis in one of the four International Business areas and the BA in International Studies with emphasis in International Business. This dual degree typically takes 4 1/2 to 5 years to complete. Students in the program will study advanced foreign language and participate in a study abroad experience to fulfill degree requirements. International Studies majors acquire analytical skills and knowledge that will enable them to understand and contribute to shaping the quickly evolving global community. The program prepares students for graduate study and careers in academia, teaching, law, business, public policy, humanitarian aid, non-profit organizations, government, and diplomacy.
