Major Requirements (42 hours minimum)

**Language Requirements (6 hours minimum)**

For the major, students must complete 6 hours minimum of conversation and/or composition courses in a single foreign language, beyond the elementary level.

**Regional/Cultural Area (12 hours minimum)**

Could include additional language and literature courses from the language of major study, as well as coursework with an international focus from Philosophy, Religious Studies, Art History, Film Studies, and Civilization courses.

**Social/Behavioral Sciences Area (12 hours minimum)**

Could include coursework with an international focus from Geography, History, Political Science, Economics, Anthropology, Sociology, Rural Sociology, Women’s and Gender Studies and Peace Studies.

**Focus Area (12 hours minimum)**

Course work with an international focus from an area of the student’s choice allowing the study of one area in depth. The focus area must be related to the foreign language the student is studying. Students are encouraged to take 9 credits from a single department or area. The 3-
credit capstone experience will equal 12 hrs. of credit. See information on the capstone options below. The focus area options are: East Asian Studies, Environmental Studies, European Studies, Latin American Studies, Peace Studies, or South Asian Studies.

**Capstone Options**

**Policies**
- The Capstone must be completed in the final 45 hours of coursework.
- Students must earn a C- or higher to fulfill the Capstone requirement.
- A maximum of 12 hours of Internship, Readings, and/or Special Problems may apply to graduation.
- Students must have a Capstone approved by their academic advisor.
- Students may complete an Internship or Readings that is not used as a Capstone.
- Students may not earn retroactive credit for internships.

**Internships 4940**
- Students must have a 2.0 cumulative GPA to apply for approval of an internship project.
- Students must not have any active Student Conduct holds.
- Students may not complete an internship at an existing position.
- Students must work 50 hours for each credit hour earned.
- Only internships in the United States can be approved.
- During the Internship period, students must submit the following assignments:
  - a well-written proposal outlining the details of the internship must accompany the application
  - a carefully-prepared factual report about the internship which addresses the questions outlined in the student’s internship proposal
  - a résumé which includes the student’s internship experience and documents the tangible skills they attained while working
  - an interpretative essay in which students connect what they have learned from their internship experience with their academic work in their individualized major
  - Internship supervisors must submit a performance evaluation.
- Internships receive a grade of S or U (pass/fail).
- The Office of Multidisciplinary Degrees reserves the right to deny internship project approval to any student it believes will not be a good representative of the University.

**Readings 4960**

Students work independently with MU faculty on research and/or professional projects. A student finds a campus professor with whom to work. Together, they create concrete objectives for a meaningful project. The professor guides and supervises the student towards completion of the project and is responsible for awarding a letter grade for the course.

**Service-Learning 4970**

Service-Learning provides hands-on experience in service experiences that are coordinated in collaboration with MU and the community. Service-Learning experiences create valuable learning environments for students as they connect with the community in partnerships that provide effective and far-reaching assistance to those in need. To apply, students must have a 2.5 GPA or higher.

Students can select a 4000-level course in the Focus Area to fulfill the Capstone requirement. This course does not need to be a departmental Capstone in order to fulfill the requirement.

**Study Abroad Experience Requirement**
- Students should study abroad for a minimum of 4 weeks.
- If a program is less than 4 weeks, it must be approved by the academic advisor.
- Credit earned during a study abroad experience may be used to fulfill major requirements.
- Students should complete their study abroad experience prior to their last year.
- Preparation for a study abroad experience should begin a year in advance.
- Information on study abroad is available at the International Center website (http://international.missouri.edu/study-outside-the-us).
