MA in Political Science with Emphasis in Public Policy

The Department of Political Science is no longer accepting applications to the MA with emphasis in Public Policy degree program. We are accepting applications to the regular MA in Political Science program (http://catalog.missouri.edu/undergraduategraduate/collegeofartsandscience/politicalscience/ma-political-science). Please see their page for more information.

Admissions

Applicants are required to meet two sets of minimum qualifications for admission: the requirements of the MA in Political Science program (http://gradschool.missouri.edu/academics/programs/political-science/masters.php) and the minimum requirements of the Graduate School (http://gradschool.missouri.edu/admissions/eligibility-process/minimum-requirements.php). Because requirements vary, you must refer to a degree program’s graduate admission page to learn about specific admission criteria, application deadlines, eligibility and application process. Before official admissions to the University of Missouri, your application materials will be reviewed by both the Graduate School and the degree program to which you’ve applied.
