</tr>
<tr>
<td>SOCIOL 9687</td>
<td>Topical Seminar in Historical Sociology</td>
<td>3</td>
</tr>
</tbody>
</table>

plus six courses targeted to the student's specialty interests.

Exams and Research
All students are required to submit a research paper no later than their fourth semester of residence. Students with a Master’s Thesis in sociology can fulfill this requirement as early as their first semester. At least eight months before the date on which they expect to complete the degree, candidates must pass a comprehensive examination centered on two of the five graduate program areas. Students must prepare and successfully defend a dissertation that makes an original contribution to the discipline.
