Through the study of finance, students learn to independently analyze security markets, understand basic valuation techniques and use their knowledge to make investment decisions. In addition, students learn basic theoretical concepts in corporate finance and their application to corporate financing and investment decisions. Coursework focuses on the areas of investments, portfolio management, real estate appraisal, financial institutions and corporate finance.

Faculty

Professor D. French**, J. Howe**, X. Yan**
Associate Professor M. O'Doherty**, K. Pukthuanthong**
Assistant Professor D. Badoer*, M. Souther*, A. Yore*
Associate Teaching Professor J. Stansfield*
Assistant Teaching Professor F. Bereskin, J. Hegger, S. Jannati, A. Kern, G. McCormick, M. Qiu,

Undergraduate

While the Trulaske College of Business does not offer an undergraduate degree in Finance, we do offer the BSBA (Bachelor of Science in Business Administration) or BSAcc (Bachelor of Science in Accountancy).

Graduate

- MS in Finance
  - with emphasis in Financial Management
  - with emphasis in Investments
  - with emphasis in Real Estate

FINANC 1000: Principles of Finance
Financing business, consumer, and government activity; stocks, bonds, real estate, and financial markets; risk; insurance; inflation; cash and income management; capital accumulation and appreciation.
