MEd in Special Education with Emphasis in Combined Early Childhood and Autism

Admissions

Applicants are required to meet two sets of minimum qualifications for admission: the requirements of the MEd in Special Education program (http://gradstudies.missouri.edu/academics/programs/special-education/masters.php) and the minimum requirements of the Office of Graduate Studies (http://gradstudies.missouri.edu/admissions/eligibility-process/minimum-requirements.php). Because requirements vary, you must refer to a degree program's graduate admission page to learn about specific admission criteria, application deadlines, eligibility and application process. Your application materials will be reviewed by both the Office of Graduate Studies and the degree program to which you've applied before official admission to the University of Missouri.
