PhD in Special Education with Emphasis in Administration and Supervision of Special Education

This emphasis is currently suspended within the Special Education Department due to budget constraints and limited resources. We are not taking applicants at this time.

Admissions

Applicants are required to meet two sets of minimum qualifications for admission: the requirements of the PhD in Special Education program (https://gradstudies.missouri.edu/degreecategory/special-education) and the minimum requirements of the Office of Graduate Studies (http://gradstudies.missouri.edu/admissions/eligibility-process/minimum-requirements.php). Because requirements vary, you must refer to a degree program's graduate admission page to learn about specific admission criteria, application deadlines, eligibility and application process. Before official admissions to the University of Missouri, your application materials will be reviewed by both the Office of Graduate Studies and the degree program to which you've applied.
