Additional Minors and Certificates - Engineering

**Undergraduate Certificates**

- Certificate in Biomaterials Engineering ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-biomaterials-engineering](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-biomaterials-engineering))
- Certificate in Information Systems and Technology ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-information-systems-technology](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-information-systems-technology))
- Certificate in Media Technology and Design ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-media-technology-design](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-media-technology-design))
- Certificate in Web and Mobile Applications Development ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-web-mobile-applications-development](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/cert-web-mobile-applications-development))

Industrial and Manufacturing Systems Engineering offers an interdisciplinary Undergraduate Certificate in Global Supply Chain Management ([catalog.missouri.edu/undergraduategraduate/interdisciplinaryacademicprograms/additionalminorsandcertificates/undergrad-certificate-global-supply-chain-management](http://catalog.missouri.edu/undergraduategraduate/interdisciplinaryacademicprograms/additionalminorsandcertificates/undergrad-certificate-global-supply-chain-management)) with the College of Business.

**Undergraduate Minors**

- Minor in Aerospace Engineering ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-aerospace-engineering](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-aerospace-engineering))
- Minor in Computational Neuroscience ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/computationalneuroscience](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/computationalneuroscience))
- Minor in Construction Management ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-construction-management](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-construction-management))
- Minor in Energy Engineering ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-engineering-energy](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-engineering-energy))
- Minor in Engineering Sustainability ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-engineering-sustainability](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-engineering-sustainability))
- Minor in Medical/Health Physics ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-medical-health-physics](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-medical-health-physics))

- Minor in Nuclear Engineering ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-nuclear-engineering](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-nuclear-engineering))
- Minor in Radioenvironmental Sciences ([catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-radioenvironmental-sciences](http://catalog.missouri.edu/undergraduategraduate/collegeofengineering/additionalminorsandcertificates/minor-radioenvironmental-sciences))

**Graduate Certificates**

Industrial and Manufacturing Systems Engineering offers an interdisciplinary Graduate Certificate in Global Supply Chain Management ([catalog.missouri.edu/undergraduategraduate/interdisciplinaryacademicprograms/additionalminorsandcertificates/grad-certificate-global-supply-chain-management](http://catalog.missouri.edu/undergraduategraduate/interdisciplinaryacademicprograms/additionalminorsandcertificates/grad-certificate-global-supply-chain-management)) with the College of Business.
