Minor in Computer Science

A minor in computer science is offered through the College of Engineering. To obtain a minor, a student must complete 20 hours of courses approved by the Department of Electrical Engineering and Computer Science. The student must earn a grade of C- or better in each course counting toward the minor (except when the prerequisite for the course is C) and have a 2.0 GPA in all courses counting toward the minor. At least 9 hours must be taken in residence. The following courses are required.
