<tr>
<th>When did you take the GRE?</th>
<th>Verbal + Quantitative</th>
<th>Analytical</th>
</tr>
</thead>
<tbody>
<tr>
<td>Prior to August 1, 2011</td>
<td>1100</td>
<td>4.5</td>
</tr>
<tr>
<td>On or after August 1, 2011</td>
<td>302</td>
<td>4.5</td>
</tr>
</tbody>
</table>

- Minimum GPA: 3.0 in last 60 hours
- Bachelor’s degree
- One or more courses in each of the following: organic chemistry, biochemistry, mathematics (calculus and statistics), physics, introductory genetics
- Research experience highly desirable
- Broad background in biology

Note: Deficiencies in the subjects listed can be remedied after admission.

Required Application Materials

To the Graduate School:
- All required Graduate School documents

To the Genetics Area Program:
- Genetics Area Program application (download form from website)
  - GRE scores
  - TOEFL scores (international applicants)
  - 3 letters of recommendation (use provided form)
  - Personal statement

Degree Completion Requirements

The minimum requirements for the PhD degree are:
- advanced courses in genetics, biochemistry and molecular biology
- regular participation in the genetics area seminar program
- successful completion of a comprehensive examination
- at least one semester of teaching in a genetics course
- 3 seminar presentations
- research, dissertation and oral defense
