MPH in Public Health
with Emphasis in Health
Promotion and Policy

This program combines a thorough knowledge of behavior change
theory and program planning and evaluation with valuable knowledge of
how policy decisions are influenced and made. Particularly attractive to
students with undergraduate degrees in psychology, social work, political
science, communications and other related fields. For more information
about this program, please visit: http://healthprofessions.missouri.edu/

For admission requirements, refer to the Office of Graduate Studies
website for the minimum qualifications for the degree program (http://
gradschool.missouri.edu/academics/programs) and the Office of
Graduate Studies (http://gradstudies.missouri.edu/admissions/eligibility-
process/minimum-requirements.php). Because requirements vary,
you must refer to a degree program’s graduate admission page to
learn about specific admission criteria, application deadlines, eligibility,
and application process. Before official admissions to the University of
Missouri, your application materials will be reviewed by both the Office of
Graduate Studies and the degree program to which you’ve applied.
