MS in Nursing with Emphasis in Advanced Public Health/School Health Nurse

As of March 1, 2012, the MU Sinclair School of Nursing no longer accepts applications for the master’s Advanced Public Health/School Health Nurse Practitioner program. After this date, students should apply to the Doctor of Nursing Practice (DNP) program.

Admissions

Applicants are required to meet two sets of minimum qualifications for admission: the requirements of the MS in Nursing program (http://gradschool.missouri.edu/academics/programs/nursing/masters.php) and the minimum requirements of the Graduate School (http://gradschool.missouri.edu/admissions/eligibility-process/minimum-requirements.php). Because requirements vary, you must refer to a degree program's graduate admission page to learn about specific admission criteria, application deadlines, eligibility and application process. Your application materials will be reviewed by both the Graduate School and the degree program to which you've applied before official admission to the University of Missouri.
