Undergraduate

- BSEd in Elementary Education (http://catalog.missouri.edu/undergraduategraduate/collegeofeducation/elementaryeducation/bsed-elementary-education)
- with emphasis in Elementary Education (http://catalog.missouri.edu/undergraduategraduate/collegeofeducation/elementaryeducation/bsed-elementary-education-emphasis-elementary-education)

The requirements for the Bachelor of Science in Education are specified in three areas: University general education, professional education and a teaching major. All students preparing to be teachers in early childhood, elementary, special education, middle or secondary schools, regardless of the major field, are required to complete the University general education program. Students transferring from other institutions are required to fulfill the equivalencies of these courses.

Graduate

The Elementary Education Program at the University of Missouri includes degree programs that focus on preparing graduates to teach in grades 1-6. We currently offer a Master's and Doctoral (PhD or EdD) in Learning, Teaching and Curriculum with an emphasis in

Elementary Education. You can find out more about these programs at http://education.missouri.edu/LTC/elementary/.

You might also browse the complete list of degree options (http://catalog.missouri.edu/degreesanddegreeprograms) at the University of Missouri.

Courses

Courses on Elementary Education can be found within the subject area of Learning, Teaching and Curriculum (LTC).
