Personal Financial Planning

Personal Financial Planning is nationally and internationally recognized for its premier education and research programs. The program offers undergraduate, graduate, and certificate CFP Board-Registered programs that prepare students to meet the education requirement to sit for the national CERTIFIED FINANCIAL PLANNER™ exam. Students may also prepare for the Certified Retirement Counselor® (CRC®) or Certified Retirement Administrator® (CRA®) designation, or take the exam that leads to earning the Accredited Financial Counselor® (AFC®) designation. Graduates are employed as financial planners, private wealth manager, investment strategist, employee benefits advisor, retirement benefits administrator, insurance specialist, financial counselor, compliance officer, client service manager, trust & estate administrator, extension agents, and consultants or counselors in financial, social, educational, legal, and government agencies. The award-winning faculty provide an ideal environment for student success. Students have excellent opportunities to intern at leading financial planning firms and to conduct research.

Associate Teaching Professor A. Zumwalt
Adjunct Assistant Teaching Professor J. Green
Instructor S. Ivey

- Graduate Faculty Member - membership is required to teach graduate-level courses, chair master's thesis committees, and serve on doctoral examination and dissertation committees.
- Doctoral Faculty Member - membership is required to chair doctoral examination or dissertation committees. Graduate faculty membership is a prerequisite for Doctoral faculty membership.

Undergraduate
- BS in Personal Financial Planning (http://catalog.missouri.edu/collegeofagriculturefoodandnaturalresources/personalfinancialplanning/bs-personal-financial-planning/)

Personal Financial Planning is nationally and internationally recognized for its premier education and research programs. The program offers undergraduate, graduate, and certificate CFP Board-Registered programs that prepare students to meet the education requirement to sit for the national CERTIFIED FINANCIAL PLANNER™ exam. Students may also prepare for the Certified Retirement Counselor® (CRC®) or Certified Retirement Administrator® (CRA®) designation, or take the exam that leads to earning the Accredited Financial Counselor® (AFC®) designation. Graduates are employed as financial planners, private wealth manager, investment strategist, employee benefits advisor, retirement benefits administrator, insurance specialist, financial counselor, compliance officer, client service manager, trust & estate administrator, extension agents, and consultants or counselors in financial, social, educational, legal, and government agencies. The award-winning faculty provide an ideal environment for student success. Students have excellent opportunities to intern at leading financial planning firms and to conduct research.

The program leading to the BS in Personal Financial Planning offers two optional tracks: Financial Advising and Financial Management Services.

FINANCIAL ADVISING
The track enables graduates to meet the education requirements to sit for the comprehensive CFP® examination to earn the right to use the CFP® designation. Coursework includes principles of personal financial planning, investments, insurance, taxation, retirement planning, and estate planning, complemented by courses that develop an understanding of the economic and social contexts within which clients make financial decisions. Graduates excel in providing client-centered financial planning advice.

Students must earn a grade of B− (2.7) or better in FINPLN 2183 and a grade of C (2.0) or better in FINPLN 3283 to continue. A grade in the D range is allowed in only one course in the professional program (unless otherwise noted).

FINANCIAL MANAGEMENT SERVICES
This track prepares students to work with individuals and families in a wide range of financial service occupations, from insurance, investments, or banking to financial counseling, education, or a social change occupation. This track gives graduates a broad understanding of personal financial management. Many students choose to complement this degree with a minor in business, economics, social work, or other related program.

Students also must earn at least a grade of C (2.0) or better in FINPLN 2183 and FINPLN 3283 to continue. A grade in the D range is allowed in only one course in the professional program (unless otherwise noted).

CERTIFICATE PROGRAM
A certificate in Personal Financial Planning was approved by the Missouri Coordinating Board for Higher Education and the Certified Financial Planner Board of Standards, Inc. Those who complete the certificate are eligible to sit for the CERTIFIED FINANCIAL PLANNER™ certification exam, upon graduation with a bachelor's degree. This student must have an MU cumulative GPA of at least a 2.5 upon application.

Students who want to explore the major can take FINPLN 2083 Financial Planning Careers and FINPLN 2183 Personal and Family Finance.
Graduate

- MS in Personal Financial Planning (http://catalog.missouri.edu/collegeofagriculturefoodandnaturalresources/personalfinancialplanning/ms-personal-financial-planning/)
- Graduate Certificate in Personal Financial Planning (http://catalog.missouri.edu/collegeofagriculturefoodandnaturalresources/personalfinancialplanning/grad-cert-personal-financial-planning/)

Program Information

Personal Financial Planning has two graduate degree programs: (1) Master's of Science and (2) Graduate Certificate, both of which meet the education requirements to sit for the national CERTIFIED FINANCIAL PLANNER™ (CFP®) exam. The programs are available 100% online through Missouri Online (https://online.missouri.edu/).

Certification Information

The programs are registered with the Certified Financial Planner Board of Standards Inc.

FINPLN 1000: iGen Money
This course explores personal financial in the digital age. Concepts analyzed include critical financial decisions, generational differences in money motives, online businesses and brokerage fundamentals, crypto-currency development and use, and cyber protection techniques. Examples of topics are digital payment apps, FIRE for retirement, investing apps, ESG/sustainable investing, robo-advisors, non-fungible tokens (NFTS), and cryptocurrencies. It also provides the fundamentals and underlying principles of personal finance so students can make informed decisions to safeguard their money while utilizing today's technologies and approaches. Graded on A-F basis only.

Credit Hours: 3

FINPLN 1183: Financial Survival
This one hour, asynchronous online course allows students to work relevant personal finance content at their own pace that can set them up for success navigating the critical college years. Course examines financial management issues in plain language, including credit, budgeting, financial aid, common financial mistakes, debt management, goal setting, and financial resources. Graded on S/U basis only.

Credit Hour: 1

FINPLN 2083: Financial Planning Careers
This course will provide the student with a broad, general introduction to careers in financial planning. Professional development is also an integral part of the course. Through readings, introspection, discussions, and guest speakers, the student will develop an understanding of the field and the expectations that are required of a professional for success.

Credit Hour: 1

FINPLN 2183: Personal and Family Finance
Individual and family finance, with particular emphasis on financial planning, budgeting, savings, insurance, investments, taxes, use of credit, and financial aspects of housing, retirement planning and estate planning basics. Students develop the necessary skills to make rational financial decisions in adulthood.

Credit Hours: 3
Prerequisites: MATH 1050 or MATH 1100 (or higher) with grade of C- or above

FINPLN 2183H: Personal and Family Finance - Honors
Individual and family finance, with particular emphasis on financial planning, budgeting, savings, insurance, investments, taxes, use of credit, and financial aspects of housing, retirement planning and estate planning basics. Students develop the necessary skills to make rational financial decisions in adulthood. This course will apply the financial concepts using a case-study approach.

Credit Hours: 3
Prerequisites: Honors eligibility required, MATH 1050 or MATH 1100 (or higher) with grade of C- or above or instructor's consent

FINPLN 3282: Financial Counseling
Practical course on client financial counseling. Course emphasizes counseling strategies and communication skills to motivate clients to change negative behaviors and/or adopt positive behaviors. Students also will learn client money issues including budgeting, credit, debt management, bankruptcy and other issues.

Credit Hours: 3
Prerequisites or Corequisites: FINPLN 2183 or instructor's consent

FINPLN 3283: Financial Planning: Computer Applications
This course provides an understanding of how to use spreadsheet applications in analyzing the financial situations, needs, and goals of families and individuals. Topics covered in the course include constructing personal financial statements, cash flow analysis and projections, charts and tables, time value of money applications as they relate to education savings, retirement needs, and other areas of financial planning, pro-forma analysis, and amortization and accumulation tables. The course helps students gain a working knowledge of how to analyze a family's financial position and how to project the family's future financial situations. Graded on A-F basis only.

Credit Hours: 3
Prerequisites: FINPLN 2183 with grade of C or above or equivalent

FINPLN 4000: Problems in Personal Financial Planning
Supervised and independent work.

Credit Hour: 1-99
Prerequisites: instructor's consent

FINPLN 4187: Tax Planning
(cross-leveled with FINPLN 7187). Principles, current law and practice of income taxation and its impact on personal financial planning decisions.
Content includes tax regulations, tax return preparation, tax formula, and tax audit process. Graded on A-F basis only.

**Credit Hours:** 3  
**Prerequisites:** FINPLN 2183 or instructor's consent

**FINPLN 4188: Community Agencies and Volunteerism**  
This course provides students with an experiential learning opportunity to work one-on-one in a professional setting with individuals and families from diverse backgrounds. Students will gain an applied understanding of federal and state income taxation and experience reviewing client financial materials, creating required client documents, and resolving client complications. Students will need to attend a three-day training before the start of the semester or provide evidence of completion of the IRS VITA certification process on the first day of class. Graded on A-F basis only.

**Credit Hours:** 3  
**Prerequisites:** FINPLN 4187 or instructor's consent

**FINPLN 4380: Assessing the American Dream**  
A systems perspective examining ways choice and culture shape American levels and standards of living. Evaluates effects of trends in personal and family values, technology, economy, mass media, diversity and inclusivity, and other social change on household resource management. Graded on A-F basis only.

**Credit Hours:** 3  
**Prerequisites:** ENGLISH 1000  
**Recommended:** Junior standing

**FINPLN 4380W: Assessing the American Dream - Writing Intensive**  
(cross-leveled with FINPLN 7380). A systems perspective examining ways choice and culture shape American levels and standards of living. Evaluates effects of trends in personal and family values, technology, economy, mass media, diversity and inclusivity, and other social change on household resource management. Graded on A-F basis only.

**Credit Hours:** 3  
**Prerequisites:** ENGLISH 1000  
**Recommended:** Junior standing

**FINPLN 4381: Securities Industry Essentials**  
(cross-leveled with FINPLN 7381). The Securities Industry Essentials (SIE) curriculum will prepare students for the Financial Industry Regulatory Authority (FINRA) SIE exam. Additionally, this course will explore current trends and techniques for financial advisor marketing and prospect/client management. This course is open to any MU student in any degree program with a desire to enter the financial services industry. Graded on A-F basis only.

**Credit Hour:** 1  
**Recommended:** Recommended for upper level students preparing for graduation and entering the financial services career field. Prior financial investment education is not required but recommended

**FINPLN 4382: Financial Planning: Risk Management**  
(cross-leveled with FINPLN 7382). Analysis of financial risk management and insurance planning for individuals in the context of personal financial planning decisions. Content includes life insurance, health insurance, disability insurance, long-term care insurance, property and casualty insurance, social security and Medicare, annuities. Graded on A-F basis only.

**Credit Hours:** 3  
**Prerequisites:** FINPLN 2183 and FINPLN 3283, or instructor's consent

**FINPLN 4383: Financial Planning: Investment Management**  
(cross-leveled with FINPLN 7383). This course introduces theories and strategies of wealth management including basic concepts, investment techniques, and methodologies. Topics covered include: asset classes and market structure, risk and returns, portfolio theory, investment decisions and analysis, market efficiency and behavioral finance, fixed income and equity securities, investment companies, and taxation of investment. This course will also provide case practice and discussion and collaboration activities that facilitate students' learning and practicing their knowledge and skills. Graded on A-F basis only.
