This certificate is designed to prepare students in any discipline for our new global reality and equip them with the knowledge and skills needed to be successful in today's highly competitive global job market. All current MU undergraduate students in any discipline are eligible to participate.

## Requirements

The structure of the certificate includes two required core courses (honors eligible), two elective courses, and an experiential learning component. Below are the details on the required courses that have various cross-listed options. The core courses can be substituted with relevant courses from various disciplines.

Electives can be taken from a wide variety of courses offering a digital and/or global component. For more information: <https://slc.missouri.edu/opportunities/digital-global-studies-certificate> (<https://slc.missouri.edu/opportunities/digital-global-studies-certificate/>).

The experiential learning component varies depending on the student's field of study and interest, but there should be an emphasis on global relations, cultural awareness, or media technology. This component could be study abroad, service learning, internship, etc. with an MU Center or an outside local, national or international organization. Volunteer work, internships and mission trips not associated with MU credit work are options also.

To declare the certificate go to: [https://musis2.missouri.edu/Minor\\_Declare/main.cfm](https://musis2.missouri.edu/Minor_Declare/main.cfm)

A certificate consists of at least 12 credits; at least 12 credits must be taken in MU course work. Students must meet the minimum GPA requirements for a certificate, which in no case can be lower than 2.0. In addition, a student cannot receive a grade lower than a C- in any course applied towards a certificate in the College. For more information, please see Requirements for an Optional Certificate (<http://catalog.missouri.edu/collegeofartsandscience/#requirementsforanoptionalcertificate>).
