

Graduate Certificate in Digital Merchandising

The Graduate Certificate in Digital Merchandising within the Department of Textile and Apparel Management will enhance the knowledge and skills leaders would need for today's fashion and retail industry. This program is offered with a choice of different delivery modes. For example, students can choose to take the entire program online through Missouri Online (<https://online.missouri.edu/>), come to campus for the entire program in a traditional offering, or hybrid. The certificate will provide professionals in the industry with cutting-edge knowledge for their career development and advancement.

Requirements

Students will need to complete 12 credit hours to earn the certificate.
