

Minor in Economics

Requirements

Students wishing to minor in economics must take a minimum of 18 credits in economics.* Students are allowed to complete ECONOM 1000, ECONOM 1014 and ECONOM 1015 at other institutions. All other Economics courses not taken in residence must be approved by the Department, but at least nine hours must be completed at MU. All courses must be completed with a grade of C- or higher with an Economics GPA of at least 2.0. Students pursuing the Bachelor of Science in Business Administration with an emphasis in Economics are not eligible to earn the Economics minor.

Minor Requirements

ECONOM 1014	Principles of Microeconomics	5-6
& ECONOM 1015	and Principles of Macroeconomics	
or ECONOM 1000	General Economics for Journalists	
ECONOM 4351	Intermediate Microeconomics	3
or ECONOM 3251	Managerial Economics	
Three Economics Electives (at least one must be 4000- level)		9
Total Credits		18

* A minor may be earned with 17 credits in economics by students who take ECONOM 1000 or ECONOM 1051H rather than ECONOM 1014 and ECONOM 1015.
