

Minor in Philosophy

Requirements

A minor in philosophy requires 15 credits in philosophy, including at least 3 credits at the 4000-level and a further 3 credits at the 3000-level or 4000-level.

The remaining credits may be earned in any philosophy courses, except for PHIL 4998 and PHIL 4999.

Students considering a minor might want to consult the requirements for the philosophy major before selecting their courses, so as to leave open the option of upgrading to a major at some later date.

Prospective philosophy minors must get the permission of their academic unit.

A minor consists of at least 15 credits, including at least 6 credits numbered 2000 or above. Nine of the required credits must be taken in MU course work. This requirement can be reduced from 9 to 6 at the discretion of an individual department. Students must meet the minimum GPA requirements for a minor, which in no case can be lower than 2.0. In addition, a student cannot receive a grade lower than a C- in any course applied towards a minor in the College.
