ISE 4085	Problems in Industrial Engineering
<p>Note: IMSE 4085 Problems in Industrial Engineering or MANAGMT 4185 Problems in Management course (3 credit hours) may only be taken once under the supervision of a faculty with supply chain expertise to meet the elective requirement of the GSCM Certificate only when courses are not offered that fit into their degree program prior to their completion of their respective undergraduate degree.</p>	
Internship Requirement*	3
BUS_AD 4500	Professional Development Program - Internship
or MANGMT 4940	Professional Management Internship
or ISE 4910	Industrial Engineering Internship
Total Credits	15

* Satisfactory completion of a supervised internship (summer or regular semester), with significant supply chain job functions and a minimum of 120 hours on-the-job experience. Internships that qualify for this Certificate will need to be approved by the Program Coordinator as a part of the Certificate application process.

** Trulaske College of Business students can satisfy the internship requirement by completing a suitable internship under the College's BUS_AD 4500 requirement. If a business student has already completed BUS_AD 4500 with an internship that does not meet the supply chain requirement of this certificate program,
