

# Certificate in Investments

---

The Certificate in Investments will provide students with an in-depth understanding of the investments process and its key underlying elements, including asset allocation and security analysis. Students will gain an understanding of financial securities, asset classes (e.g., equities, bonds, real estate, and derivatives), and financial markets.

## Requirements

Students can earn the Certificate in Investments by completing 15 credit hours of study. Students must achieve a GPA of 3.0 in the required and elective courses to earn the certificate.
