+ This Spring course is open to students from all disciplines but students must apply for instructor consent by a deadline in the Fall.

* Students must be Journalism Majors for the course to count towards the minor.

^ Internship option based on Consistent Standards (no more than three credit hours total of internship credit can be counted toward the minor and specific internship must be preapproved by the Director of the Minor). Must be in a declared degree program within the School or College offering the course. For example: MU_GENL if only for A&S students to take. Only exception is MANGMT 4940 which can be taken by both business majors and non-majors with approval from the Director of the Minor.
