

BSBA in Business Administration with Emphasis in Finance and Banking

Degree Program Description

Students pursuing a degree in Business Administration will gain exposure to multiple areas of business including Accounting, Economics, Finance and Banking, Management, and Marketing. An emphasis in Finance and Banking prepares students for careers in commercial banking, corporate finance, financial planning, insurance, investment banking, or money management. Students learn how to independently analyze security markets, understand the basic valuation techniques and use their knowledge to make investment decisions. In addition, students learn basic theoretical concepts in corporate finance and their application to corporate financing and investment decisions.

Major Program Requirements

Students must complete all university requirements (<http://catalog.missouri.edu/academicdegreerequirements/universityrequirements/>), including general education (<http://catalog.missouri.edu/academicdegreerequirements/generaleducationrequirements/>), and the degree requirements below.
