

MS in Finance

Mizzou’s online MS Finance is the degree for individuals who want to advance their knowledge of finance in our global business environment and enhance their analytical and financial decision skills. The design of the program fits career objectives of:

- Working finance professionals who seek to enhance their career opportunities by gaining additional financial skills and knowledge.
- Recent degree recipients looking to strengthen their career prospects by furthering their financial training.
- University of Missouri undergraduate senior-level students wanting to jump-start their career by continuing their financial education.

Degree Requirements

Delivery of this program is 100% online. You may choose to complete an optional one-week international experience. Successful completion of the master’s degree requires a combination of required coursework and elective credits.
