

MA in Human Development and Family Science

Programs are structured to provide students with an integration of theoretical perspectives, empirical research training, and practical experiences.

Degree Requirements

Students seeking an online-only MA choose between the Family and Community Services (30 credits) or Youth Development (36 credits) emphasis areas. Degree Requirements are specific to the emphasis and can be found on those catalog pages.

On-campus MA students may seek a dual MA or MS/JD (approximately 113 hours). Degree requirements specific to this program can be found on those catalog pages.

Terminal on-campus MA students will complete the following requirements:

Independent Effort

Master of Arts students will complete a project, (H_D_FS 8090), for three credit hours. The project has an applied focus. For instance, a project may involve designing a program and developing curriculum materials (e.g., instructional videotapes, websites, resource manuals). For more

detailed information, please refer to the HDFS Graduate Handbook found on the HDFS website (<https://hdfs.missouri.edu/>).

Accelerated BS to MA in Human Development and Family Science

An accelerated option is available for the BS in Human Development and Family Science to MA in Human Development and Family Science. Refer to the Graduate School's webpage on Accelerated Programs (<https://gradschool.missouri.edu/admissions/eligibility-process/accelerated-mastersapplicants/>) for more information. For general information on how accelerated options work at MU, and for guidance on participation, refer to Accelerated Options (<https://catalog.missouri.edu/academicpolicies/acceleratedoptions/>) in the catalog.

Satisfactory Progress

Satisfactory progress is based on the student maintaining a sufficient GPA according to the student's program or funding guidelines and completing all degree forms and milestones according to departmental timelines. For a detailed description of the department's description of a satisfactory rate of academic progress, please refer to the HDFS Graduate Handbook found on the HDFS website (<http://hdfs.missouri.edu/>).

Time Limits for Masters' Degree Completion

Students working toward the master's degree have 5 years from the semester the first course is taken in which to complete all degree requirements. Extensions for one additional year to complete the degree may be granted with submission of a detailed plan for completion, including a timetable. Students must be making progress toward completion when they apply for the extension. A maximum of two extensions may be granted.

Background Checks, Health Screenings and Other Required Elements

It is essential that HDFS students develop professional relationships with vulnerable populations, thus during the course of the degree program and prior to beginning any practical or clinical education experience, students may be required to:

- pass multiple criminal background checks
- pass mandatory drug screens
- pass other qualification checks required by the practical or clinical education sites
- provide proof of health insurance coverage
- provide proof of required immunizations
- provide proof of student professional liability insurance coverage

The student is responsible for all costs incurred with these requirements. Failure to provide appropriate documentation, or pass required checks prior to the beginning of practical or clinical experiences may result in dismissal from the degree program in HDFS.
