

# DPT in Physical Therapy

## Degree Requirements

All students admitted must maintain a 3.0 grade point average with no grade below a C in courses required for the degree. Failure to achieve a semester or professional cumulative grade point average of 3.0 in required courses will result in probation or dismissal from the program. Students are expected to maintain full-time enrollment in the curriculum and complete the degree requirements as outlined in the course of study. Any exception must be approved by departmental faculty. Students must demonstrate the personal behaviors and characteristics associated with optimal patient welfare and professional trust.

PH_THR 6950	Competency Assessment I	3
PH_THR 6960	Competency Assessment II	2
PTH_AS 7222	Gross Human Anatomy (The Health Professions)	7

## Plan of Study

The professional program is offered in sequential blocks and requires full-time enrollment for three academic years (including summer sessions), beginning in the summer session following acceptance. The curriculum contains foundational and clinical sciences combining traditional lectures and course work, laboratory sessions, team based learning classes and clinical education. More than 200 clinical sites in Missouri and beyond are available for supervised clinical education.

A graduate must pass the National Physical Therapy Examination to receive a license to practice in the United States. The program is accredited by the Commission on Accreditation in Physical Therapy Education (CAPTE). Graduates are eligible for licensure anywhere in the United States.

## Application and Admission Information

All applicants will apply to the Graduate School online admission process. Graduate School applications must be submitted and complete by September 30th.

The departmental application will be completed during the online admission process.

Students who are admitted without a degree must be eligible to receive a bachelor's degree upon completion of the first year of the program.

### Admission Criteria

- Minimum TOEFL scores:

Internet-based test (iBT) Area	iBT Score	Paper-based test (PBT) Area	PBT Score
Reading	17	Reading	52
Listening	17	Listening	52
Speaking	17	Speaking	N/A
Writing	17	Writing	17
TOTAL	80	TOTAL	550

- Minimum IELTS scores:

Item	Score
Reading	6
Listening	6
Speaking	6

Writing	6
Total Score	6.5

- Minimum GPA: 3.0

## Required Application Materials

To Graduate School:

- All required Graduate School documents/application fee
- Departmental application/application fee
- 2 letters of recommendation as specified by the application instructions
- Activities and Awards Questionnaire as specified by the application instructions
- Distinct Experiences and Attributes Essay (see application instructions)
- Unofficial transcripts (year of application, summer grades must be recorded on transcript)

## Admission Contact Information

Beverly Denbigh  
College of Health Sciences  
801 Clark Hall  
573-882-7103 or 7250  
573-884-8369 (Fax)

## Prerequisites for the Doctoral Degree

**Note:** The DPT program accepts students to begin the professional program only for summer terms, which begin in June.

Admission to the DPT program is available through regular admission (applicants will have a bachelor's degree prior to beginning the professional program) or through an early admission option that allows students to enter the professional program with 90 credit hours.

Regular admission applicants must have at least a 3.0 GPA in the core required courses (<https://healthprofessions.missouri.edu/physical-therapy/doctor-of-physical-therapy/curriculum/>) and the cumulative GPA in the last 60+ credit hours.

Students who enter without a bachelor's degree must have satisfied general education and graduation requirements, including two Writing Intensive courses. These applicants must have at least a 3.5 cumulative GPA at the time of application.

On-campus interviews are required for admission to the professional program.

Applicants are notified of the selection committee's decision by December.

All students are strongly encouraged to contact the College of Health Sciences, Office of Student Services, for advisement and planning well in advance of application.

Admission to the program is selective.
