

Graduate Certificate in Public Health

Requirements

This 12-credit-hour program provides students with the core public health education that they need to enhance their professional knowledge. The certificate program includes the following courses:

P_HLTH 7150	Principles of Public Health	3
P_HLTH 8150	Human Health and the Environment	3
or P_HLTH 8920	Social and Behavioral Sciences in Public Health	
or P_HLTH 8420	Principles of Epidemiology	
P_HLTH 7140	Public Health Statistics	3
One approved elective		3

Students must complete the certificate requirements above with an average GPA of 3.0 or higher to earn the Graduate Certificate in Public Health. Student who wish to transition from the Graduate Certificate in Public Health to the Master of Public Health Program must complete all certificate courses with grades of B (3.0) or higher.

Financial Aid from the Program

Some programs require an extra form or statement from those who wish to be considered for internal assistantships, fellowships or other funding packages. Check the program website or ask the program contact for details.

Admission

Students wishing to pursue a Graduate Certificate in Public Health should complete the Graduate School's online application (<https://gradschool.missouri.edu/degreecategory/public-health/>) (standardized test scores are not required). Certificate candidates must provide the MPH Program's Personal Data Sheet and official transcripts to the MPH Program.

Applying to the Graduate Certificate Program

Students who complete the Graduate Certificate in Public Health with a minimum grade of B in each of the four courses will be recommended for admission to the Master of Public Health (MPH) program should they wish to continue their studies. The course credits earned for the graduate certificate will be credited toward the MPH degree.
