Mizzou
University of Missouri

MPH in Public Health with Emphasis in Health Promotion and Policy

This program combines a thorough knowledge of behavior change theory and program planning and evaluation with valuable knowledge of how policy decisions are influenced and made. The MPH-HPP is particularly attractive to students with undergraduate degrees in sociology, psychology, social work, political science, communications, health sciences and other related fields. For more information about this program, please visit: https://healthprofessions.missouri.edu/public-health/

Admissions

For admission requirements, refer to the Graduate School's website for the minimum qualifications for the degree program (https://gradschool.missouri.edu/degreecategory/public-health/) and the Graduate School (https://gradschool.missouri.edu/admissions/eligibility-process/). Because requirements vary, you *must* refer to a degree program's graduate admission page to learn about specific admission criteria, application deadlines, eligibility, and application process. Before official admissions to the University of Missouri, your application materials will be reviewed by both the Graduate School and the degree program to which you've applied.
