Admissions

For admission requirements, refer to the Graduate School website for the minimum qualifications for the degree program (<https://gradschool.missouri.edu/degreecategory/public-health/>) and the Graduate School (<http://gradschool.missouri.edu/admissions/eligibility-process/minimum-requirements.php>). Because requirements vary, you *must* refer to a degree program's graduate admission page to learn about specific admission criteria, application deadlines, eligibility, and application process. Before official admissions to the University of Missouri, your application materials will be reviewed by both the Graduate School and the degree program to which you've applied.
